

Tailgate Handle Backup Camera for GMC Sierra & Chevrolet Silverado (2014-2017)

RVS-T15

This factory designed GM tailgate handle camera assembly is designed for trucks already programmed for backup cameras. An OBD Genie is required to use with the OEM display. Please note that the OBD Genie is only compatible with trucks with IO4, IO5 and IO6 option codes. You can find this information on a sticker inside the glove box.

Chevrolet Silverado 1500 (2014 – 2017)
Chevrolet Silverado 2500HD/3500HD (2015 – 2017)

GMC Sierra 1500 (2014 – 2017)
GMC Sierra 2500HD/3500HD (2015 – 2017)
