

HD Monitor

10.1" AHD Digital LCD 4 Channel Color Monitor

RVS-61310Q-AHD

The latest in cutting-edge HD Monitor technology, the RVS-61310Q-AHD comes packed with powerful features.

System's 4-channel touch-screen 10" HD Monitor supports 1080p input and recording, if necessary.

Its images can be set to be horizontally-flipped, vertically-flipped, normal, or zoomed-in.

Up to 5 triggers change camera views automatically and multiple image displays modes are supported: single, dual, triplex, quad, trefoil, Y-split, H-split.

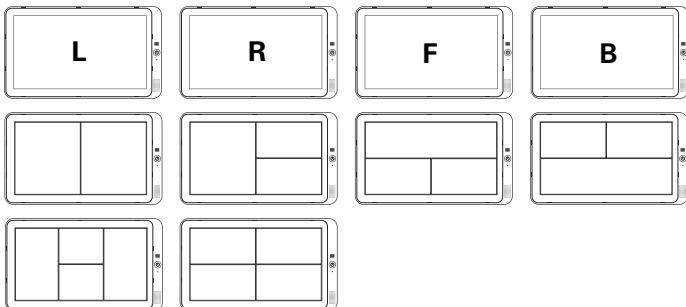

Operated by remote or touch-screen, it has a built-in speaker, comes with an automatically adjusting backlight, and a parking line.
